

Valid from November 1st, 2024

Focus sections

Focus sections are dedicated parts of a *GAIA* issue that concentrate on a specific theme or topic. They offer a collaborative publication opportunity, co-organized by *GAIA* editors and guest editors.¹

Guest editors cover additional editorial and production costs, gaining access to the following services:

Editorial and production services

- **Editorial support and coordination:** Comprehensive support from planning to publication.
- **Peer review management:** Organization and administration of the peer review process.
- **Copy-editing:** Professional editing for clarity and consistency.
- **Layout & Production:** Typesetting and additional page printing (if applicable).
- **Distribution & Online Access:** Print distribution of 1,600 copies and online availability for subscribers via [Ingenta Connect](#).
- **Gold Open Access:** Articles are freely accessible on Ingenta Connect www.ingentaconnect.com/content/oekom/gaia/
- **Complimentary copies:** 50 free copies (shipped to a single address)
- **Marketing support:** Inclusion into oekom newsletters with > 34,000 subscribers

All prices are subject to VAT.

If you are interested in publishing a focus section, please contact the editorial office at editorsgaia@oekom.de.

¹ Guest editors and authors should note that all articles submitted to *GAIA* are subject to double-blind peer review. Currently, the rejection rate for articles submitted to focus sections is around 30 %. Guest editors are required to sign a contract detailing the respective rights and responsibilities of the editor, publisher, and guest editor. The submission deadline for all articles is no later than six months prior to publication.
